

## COLEMAN'S GARAGE, FORESTER'S FALLS

An auto repair garage business was opened up by Mr. Kay Coleman on July 1, 1950. Kay is a grandson of Mr. W.S. Coleman, owner of the former Coleman store, son of George Coleman, one time owner of the store for a few years. Kay built up a successful garage business through the years, starting with small beginnings. He found his garage was too small and crowded, so he built an addition. His garage is still in operation today by his son Bob Coleman and his son Jamie. Kay and his wife Esther raised four children. Kay and Esther were very involved with the Whitewater Historical Society.

Kay Coleman passed away in 2018 at age 91.
