

POUNDER'S STORE, 2008 MAIN STREET, FORESTER'S FALLS

Pounder's Store has gone through several incarnations over the years – bakery, butcher shop, bank, garage and variety store. Annie's Gas Bar & Variety Store was a family run business for many years and recently closed in the fall of 2023.

P.R. Pounder ran a general store here for decades. Mr. Pounder was wheelchair-bound, but he would just point to the shelf his customers needed, and they helped themselves.
