

## TILLY'S HOUSE

This house located at 2013 Main Street can definitely connect to the village founder, Oliver Forester. His son Horace lived here for decades. Later it was home to one of the village's most respected dress and hat makers, and in the years leading up to World War II, it was the headquarters for one of the areas principal midwives, Tilly Pettigrew, who was so beloved that the house had her named attached to it.
